

BE A DROP AND RUN CLOTHING
CONSIGNOR

NO APPOINTMENT NECESSARY
NO LIST TO FILL OUT
JUST DROP AND RUN

We will gladly take your drop & run consignment clothing anytime we're open with no appointment. Just simply drop off in the clothing department, say hi to Kim, Michael and Josh on your way out, it couldn't be simpler.

Re-Love It Consignment will accept clothing that follow the three C's

Clean, Current and Cute!

- i ***Clean*** - Re-Love It Consignment will accept clothing that is wrinkle free and odor free. Sorry our washing machine is out of order so please help us out here. Besides your clothing sells when they are clean and you make money. We know, shoes don't wrinkle but those dreaded toe prints, worn heels and scuff marks just don't sell.
- i ***Current*** - Re-Love It Consignment cannot accept clothing that is out-dated (that means approximately 2 years from the time you purchased it). Hey, you looked hot in the 90's with those big shoulder pads, but not so much in 2011.
- i ***Cute*** - If your clothes are from any of the stores in the mall Wa-Hoo! They sell the best. Also anything you purchased at department stores like: Macy's, Bloomingdale's, Neiman Marcus, Saks 5th Ave or Nordstrom's sells wonderfully too.
